**Re: BZA Appeal Application No. 15740**

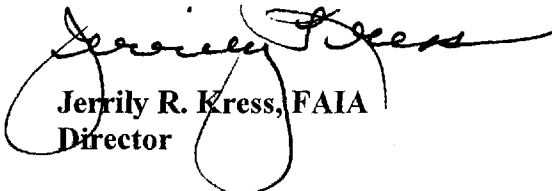

Dear Ms. Giordano:

This is to inform you that the record of the above referenced BZA Application, which sought to appeal the administrative decision of the District of Columbia Zoning Administrator that revoked Certificate of Occupancy (C of O) No. 13161758, has been closed. This action is necessary because of the failure of the Applicant to comply with the procedural requirements described in the Office of Zoning (OZ) notification letter to you dated July 10, 1992, concerning supplemental Rules of Practice and Procedure.

The C of O was issued to Lefever Brothers Car Service for an auto repair garage located at 2363 Champlain Street, N.W. The site is in Lot 835, Square 2563, which is in an RC/R-5-B zone District.

The record of the case is now closed and the Board will not take any further action. If you have any questions, please contact the Office of Zoning at (202)- 727- 6311.

Sincerely,

Jerrily R. Kress, FAIA  
Director
